- Build, create, and explore in Minecraft for PC and Mac! Have ridiculous amounts of fun!
- Play alone or with friends. Minecraft for PC/Mac supports online multiplayer and solo play.
- Take advantage of limitless supplies and create anything you can imagine in Creative Mode.
- Mine, craft, and go on exciting adventures in Survival Mode. Journey into the depths and take on the Ender Dragon, if you dare!
- Also features horses, rabbits, chickens, zombies, pigs with saddles, boats, minecarts, TNT, zombies, redstone, villagers, iron golems, potions, maps, books, pickaxes, carrots, and lots more. Honestly, there's a ludicrous amount of cool things to mess about with. You should give it a go!

Report incorrect product information.

To protect your Digital Video Games purchase in the event you report it lost or not working, Amazon may invalidate the digital code linked to your purchase. There is no action required from you and your personal information will not be shared. Upon purchase, you'll receive a download code which you'll redeem directly on your console or online through your console's website. Codes are typically delivered instantly, but may take up to five hours in rare cases. This code will be stored on Your Games Library on Amazon if you need to access it later.
